## INNOHACK

**When:** 11-13<sup>th</sup> November 2022

**Time:** Friday, 13:00 – Sunday, 15:00 CET

**Registrations:** register [here](#) until the 1<sup>st</sup> of October

**Aim:** *InnoHack* is a unique and effective response to societal challenges, a hackathon organized by University POLITEHNICA of Bucharest (UPB) to support the Innovation and Entrepreneurship ecosystem across the EELISA partners. We will turn on creative, impactful, and sustainable ideas into solutions. InnoHack puts EELISA values and vision into practice tackling the nowadays issues and future challenges, focusing on 7 main topics:

- Agritech, Food & Water
- CleanTech & Energy
- Education
- Enabling Technologies
- Fintech
- Healthcare
- Transportation and Smart Cities

Smart crafted workshops on team building, product/service design, value growth, and pitching enliven the event agenda. Highly skilled and successful mentors across Europe and various industries will fuel the 3 days inception processes and will foster this empowering experience.

*InnoHack* is open to all European Engineers of the Future: students and researchers from the EELISA European University members and partners, having an idea or not, being already member of a team or neither. The event enhances inter and transdisciplinary, multilingual, diverse, collaborative, and pan-European out-of-the-box approaches to boost the Sustainable Development Goals accomplishment, excellence, and innovation.

### Target participants:

EELISA Academicians and researchers, EELISA Communities, undergraduate and postgraduate students
