

Romania's National Recovery and Resilience Plan Pillar III. Smart, sustainable and inclusive growth, including economic cohesion, jobs, productivity, competitiveness, research, development, and innovation, and a well-functioning internal market with strong small and medium-sized enterprises (SMEs), Component C9. Support for the private sector, research, development and innovation "I8. Development of a program to attract highly specialised human resources from abroad in research, development and innovation activities"

Beneficiary: National University of Science and Technology POLITEHNICA Bucharest

Project name: Green chemistry and thermochemical processing, a convergent approach towards biobased chemicals and hydrogen synthesis (ConverGreen)

ID: CF 86/15.11.2022, cod 86

May 29, 2026

PRESS RELEASE

Project closing conference

On **June 3, 2026**, the Closing Conference will be organized within the project - Green chemistry and thermochemical processing, a convergent approach towards biobased chemicals and hydrogen synthesis (**ConverGreen**)

The event will take place in the Faculty of Energy Engineering of the National University of Science and Technology POLITEHNICA Bucharest, **room EH 017 starting at 10:00 a.m.**

The main goal of **ConverGreen** project is to create an excellence research group at National University of Science and Technology POLITEHNICA Bucharest, in the field of bio-products and hydrogen production, based on fundamental investigations that lead to innovative processing techniques that will contribute to future scientific advances.

Total value of the project: 7 293 026 RON

Value of the community contribution of the project: 6 999 400 RON

Pillar III. Smart, sustainable and inclusive growth, including economic cohesion, jobs, productivity, competitiveness, research, development, and innovation, and a well-functioning internal market with strong small and medium-sized enterprises (SMEs) **Component C9. SUPPORT FOR THE PRIVATE SECTOR, RESEARCH, DEVELOPMENT AND INNOVATION. I8.** Development of a program to attract highly specialised human resources from abroad in research, development and innovation activities.
